5 Nectar Occagnes has started five times in Sweden and been improved a lot lately. He was very good when he won on Solvalla and is our pick. 10 Caughtredhanded has been driven three times by Ulf Ohlsson and after a sixth spot in July the results have been good lately. Early contender but needs some racing luck with this handicap. 6 Frodo de Castella has two runs under his belt after a long break and should be followed with this nice number. 3 Xanthis Himalaya has been at least second for Magnus A Djuse.

2 Jaguar Sisu galloped directly in the circular start in the last race but showed good form after the mistake. He prefers to start behind the gate and is our pick. 1 Centaurica has scored the first two wins in October. She was good in the last run and has to be followed. 7 Creme Caramel has put in two good efforts in November. Faces nice conditions money-wise and should be considered. 11 Wilgot has been a non-starter due to fever in October but normally he should not be overlooked here.

3 Need'em has won three out of four races in the lead and together with Örjan Kihlström. He knows the horse well. Good chance to win. 7 Jalapeno K. has been competing in a lot of tough four-year-old races this year. He is gifted and with the right journey he will be in the mix. 2 Nuzzle'em was too fiery in the lead two starts back and gave over the long distance seventh up. He has otherwise done well this autumn and should not be overlooked. 10 Gianluca D.K. is in fine form and has good place chance here.

9 Dhaki Jet won five times in eight starts last year. He was good when he won on Romme two starts back and this debut for a new trainer is interesting. 3 Ici Moi galloped directly in the last circular start. He spurted to victory two starts back and will start behind the gate again here. 1 Charlotte Bailey can do better than the latest results show and should be followed in this comeback after a two months pause. 5 Win Together has scored both wins this year in the lead and can open fast behind the gate.

Contender. 3 Maserati Hall has been at least third in six starts in a row lately. 10 Underground Artist did well in the last run a bit behind the winner in the last run. Could be an outsider here.

Tough task here but is gifted and should be considered early. 10 Global Duchess had not raced for a while before the seasonal debut in June fifth up. She has done well after that and has to be followed. 3 Udine Celeber has scored all wins over the middle distance and is in good shape.
