8 Grit Brodda is strong and can do it tough. He faces horses who have earned less money and should have a good chance here. 9 Cester has done well in November and after a nice spurt to a third spot in Östersund he won on Umaker. 5 Magic Caviar can open fast and should be improved by the latest run after a long pause. 1 Ivar Journey got a trip from outside the leader in the last run and showed that the form is on the way up.

1 I've Got Pepper has three wins in five starts for this trainer and been at least third there. Can open fast and likes this distance. 4 Kiwi Sisu has done well lately and has to be considered. He was just closely defeated two starts back and comes from an easy victory. 3 Speedy K. won comfortably at the end in the last run and is in good shape. Possible with the right journey. 7 Let it Go is on the way up and if improved he should not be overlooked.

7 Selmer I.H. likes to compete during the winter and comes from a good victory. He faces nice conditions money-wise here and should have a good chance even if he has to do it tough. 5 Devils Tongue has galloped lately. He has good speed and when he is at his best he should be in the mix here. 1 NoLimitJimMit is a quick starter and uses to put in good efforts when he runs in front. 8 Weekend Fun is poorly drawn but he put in a good performance in the last run and has place chance.
