RACE 7, V64-2   Auto 2140

10 Cassius Clay D.E. scored many wins in a row last year but then he was not as successful anymore. Has one run under his belt now and should have a good chance. 7 Dartagnan O.P. comes from a good debut in Sweden and has to be considered in the future too. Early choice here. 2 Place Royal scored his first win in Sweden in the last run and seems on the way up. Nice number here. 3 Delfo Nobel has not impressed in both starts in Sweden but has earlier shown good skills. Should not be overlooked.

RACE 8, V64-4   Volt 2140

11 Alvena Matteus scored three good wins in a row earlier this autumn and showed good skills for this class. Interesting number. Our pick. 8 Vermithrax is good for this class. Tested the V75 in the last run but galloped then. Main challenger to our pick. 4 Flight to Paris is in great shape and with the right journey he will be in th emix here. 15 Hellacopters is by far the speediest horse in this field but he is not reliable. Could cause an upset here.

2 Larry Wood has good capacity for this class but he has not been successful lately. Perfect number and our pick here. **4 Mr Mah Can** galloped under the final lap in the last run but is normally reliable. Should be considered early with this nice number. **7 Adiago Trot** has been unlucky lately but he is in great shape and should be followed here. **5 Nina Ginto** met tough horses in the last V75-race. Looked dangerous in the final turn but gave up at the end. Outsider here.
