1 Wingait Henke has started three times for trainer André Eklundh and scored three good wins. Quick starter and will probably find the lead. 2 Come Along is ideally drawn and can open fast. Should get a nice journey. Has not won yet this year but put in many good efforts. Had energy left in the last run. 9 Quite a Quality has been competing a lot under the saddle lately and has good speed. Will open behind quick starters here. 8 Vasco de Gama looked nice in the last run with energy left. Can open quite fast with this number. Uses to finish quickly.

3 Böhmarens has done well lately. Got a tough journey in the last run but kept up the pace well. Scored three straight wins this time of the year last season. 2 Le Piment has got a perfect number. Has had number twelve twice in a row. The gelding has good ability and if he is at his best he is an early choice here. 11 Victory H.H. wins often and has five victories in the last ten starts. Tricky number and early mistake in the last run. Challenger with the right journey. 1 Woogie Broline has started three times after a serious injury. Should be on the way up. Comes from a nice win in the lead.

8 Smiley Brodda has started four times after a layoff. Has been consistent and good and should be in great shape now. Interesting here together with Stefan Persson. 5 Kovi Stream came back very well after an early mistake on October 28th. Put in a good effort after that too. Dangerous with the right journey. 10 Mayhem Mary has shown good form lately. Can open fast and this number suits the horse well. New driver. Interesting. 11 Hattrick DiDamgård finished really fast in the last run. Has nine wins in 34 attempts. Will fight for victory with the right trip.

5 Nacho Boko is nice and comes from a splendid victory. Was outstanding in the front then. Can open fast and should be allowed to take over the lead. Top chance. 6 Junious Heot was brave after a tough journey in the last run behind a good opponent. Scored a couple of nice wins before that. Possible behind our winner. 1 Mac Idzarda makes his debut for Per Henriksen here and the first start in Sweden. The chances are not easy to predict but should be considered early. 4 Booster Broline has started three times after a layoff. Has done well in all of them. Did not find room in the last run.
